Christmas Trees Grown in Britain

Promote your Christmas tree business

with Grown in Britain licensing

With the time-concentrated selling opportunity for Christmas trees, an extra marketing advantage can help you to boost business. Holding a licence to use the Grown in Britain brand positively shows your trees are produced here in Britain, and that you actively care about quality and freshness, growing conditions, and sustainability.

HOW DOES IT WORK?

Grown in Britain Christmas tree licensing operates throughout the Christmas tree supply chain, from British growers through to wholesalers, distributors and retailers. Your business is assessed against the Grown in Britain Christmas tree standard. A licence to use the Grown in Britain brand may then be granted.
