

# Trail of discovery

# Or speeding along the adventure trail?

However you like getting your dose of fresh air, you can explore nature, and experience active adventure in Britain's many forests and woodlands nationwide. Whether you want a simple nature walk or a speedy cycle, or a stay in one of the cabins run by Grown in Britain supporting partner, Forest

Holidays, access and activities are available year-round. Grown in Britain licensed forests around the country may also offer volunteering opportunities, from forest restoration to wildlife conservation, so you can get fully engaged with the life of the forests around you. Britain is a 'green and pleasant land' which is well worth exploring. Find a Grown in Britain forest near you via our website.

## *'Old Chestnuts' series by Grown in Britain*

Grown in Britain connects producers of British timber and wood products to markets in construction, joinery, shopfitting, furniture and retail. Using British timber fosters social value, creating economic, social and environmental outcomes across the country, benefitting local economies and employment, and contributing to national CO<sub>2</sub> reduction targets. We encourage woodlands back into management, promoting woodland creation and stimulating supply. We also foster public appreciation of the value of Britain's forests & woodlands.
