

## Grown in Britain Product list

A large number of companies and individuals have agreed to support & give preference to timber and timber products which are assured as Grown in Britain. To assist purchasers this is the list of the current licence holders by product type and will be updated regularly. To ensure that the Grown in Britain chain is not broken, endeavour to procure directly from GiB licensed suppliers.

Grown in Britain licensed timber ensures that the timber was grown in England, Wales, Scotland or Northern Ireland in accordance with the Government's UK Forestry Standard.

Grown in Britain is a non-for profit organisation creating a more sustainable future for our forests and woodlands. Procuring timber licensed as Grown in Britain supports our forests and woodlands
